

# Fragmented sentences

There is no subject.

Didn't finish the homework.

**He** didn't finish the homework.

A sentence which is incomplete.

If there is a day off on Monday.

If there is a day off on Monday, **We could hangout.**

There isn't a verb.

A very difficult test.

It **is** a very difficult test.

Below, decide if the sentence had no subject (**NS**), is incomplete (**INC**) or has no verb (**NV**). If the sentence is missing something, re-write it. There are some sentences with no mistakes.
